

Capability Statement

**Burdette Engineering** was founded in 1992 to provide quality **Electrical Engineering Services** to the construction industry. Our team is dedicated to bringing cutting-edge, efficient, design solutions to your projects. We market to commercial, private, municipal, state and federal agencies, but value the client relationship above all else. Of 47 engineering firms in Upstate South Carolina, we are one of the few firms that concentrates exclusively on **electrical engineering**. We are masters of our craft.
